TUCK'S POST CARD

CARTE POSTALE

Bay of Naples.—This is a semi-circular inlet of the Mediterranean Sea, on the S.W. coast of Italy. The Bay, 20 miles wide at entrance, is noted for its lovely scenery. "Beautiful for situation," Naples rises from the sea like an amphitheatre on the base and flanks of the hills. Its attractiveness and its tonic and bracing climate have inspired the proverb—"See Naples and die."
